Fire Update: Firefighters Prepare For Transition

Work will continue in the Los Hueros Canyon vicinity over the next several days to mop up hotspots inside the containment line. High winds, low humidity, and cooler temperatures are expected in the area today.

Management of the fire will be turned over to the New Mexico Division of Forestry effective 7:00 PM today. The new contact phone number for the incident is: (505)425-7472.

Residents and visitors of Los Hueros are reminded to drive carefully and be aware of firefighter activities. We want to remind motorists in the vicinity of the fire that they should use only main roads and stay off roads leading into the burned area.

The New Mexico Interagency Incident Management Team extends its sincere gratitude to the local communities and residents of the area for their support of the firefighting effort.

This is the last press release for the Ojo Feliz fire from this team.

As always, firefighter and public safety is the number one concern of the New Mexico Incident Management Team. For additional information please contact Fire Information at its new number: 505.425.7472, or check the website at: www.nmimt.com/assignment.htm
